MEMBER TESTIMONIALS

“

After years of dedicated service as the most senior banquet server, I was terminated. I didn't know what to do or where to turn. But **UNITE**HERE**!** Local 24 stood up for me, fought for my rights, and got my job back. They showed me that we're stronger together, and that no worker should have to face these battles alone. **I'm grateful to be back at work and proud to be union.**

Before the union, management was bringing in temp workers to perform work that should have gone to full-time employees, and we were losing hours. Since **UNITE**HERE**!** Local 24 came in, now dedicated full-time workers are getting our hours back, and finally being treated with the respect we deserve. The union has made a real difference in protecting our jobs and ensuring we can count on steady hours.
