Happy Holidays!

As we end 2012, we want to wish you and your family a happy holiday season and to thank each of you for your activism in our contract campaigns, political and organizing programs and the continual work to build and protect your union. We will always face challenges and we have new ones (political attacks, right to work, negotiations), but together we will meet them. Through your determination and solidarity we will continue to meet our challenges and build our union. It continues to be an honor and privilege to work for and with the members of Local 24.
